# Menus

Our brand new private dining menus encourages the sharing of delicious dishes, to ensure you get to taste a range of our incredible Italian and Scottish produce and fresh flavours that are expertly crafted by our highly experienced kitchen team.

Although our recommendation is to share, we realise sharing is not for everyone. We have therefore created a more traditional menu to enable you to choose a set menu for your guests. Sample menus of both options are listed below.

Some lovely feedback from a recent client

*"The new menu with the sharing idea makes perfect sense, I could spend hours here savouring dishes and wines and soaking up the atmosphere."*
